

Process Expo (September 15-18 2015) Chicago, IL

PROCESS EXPO represents the pinnacle of food technology bringing together the world's most successful food and beverage processors, equipment manufacturers and leaders in the field of academia. This highly qualified group of attendees comes in search of:

- The nation's largest collection of equipment manufacturers focused on food and beverage processing
 - New equipment and the latest technology in food and beverage processing and packaging
- Educational sessions put on by speakers from the top university food science programs in the country
 - Food safety experts to assist with any challenge
